

Senior Backend Developer Node.js (full-time)

Want to be part of an exciting mission and help people boost their financial fitness?
Want to apply your development skills to help solve a big social challenge?
Yes? Then join our team!

Monkee is an early stage startup in the fintech space. Our financial coach is combining insights from the field of behavioral economics with machine learning to help people improve their financial health. Our mobile application has been live since 2019 and we are seeking to grow our tech team by bringing on board an experienced backend developer primarily for Node.js.

What you will do:

- Continuously ship new features on the backend
- Integrate with other 3rd party services to increase the portfolio of features
- Further improve speed and reliability of the backend to support the scaling of our platform
- Participate in and contribute to the development roadmap

What you offer:

- You write code that is structured, pay attention to detail and enjoy writing tests
- You are a team player with a passion for building solutions that help people and create social impact
- You want to be an active member of a distributed team and are open to travel from time to time for team gatherings
- Completed Bachelor, Master or Ph.D. in Computer Science or in a related field
- Solid experience in developing backend solutions for mobile applications with 3 years experience in Node.js and Typescript
- Jira, Scrum and Sprint are not just buzzwords to you
- Experience in Python as well as work experience in the financial services space is a plus

We offer:

Become an early development team member of a venture-backed startup where you steer the product and make a real impact on peoples' lives. You will get the freedom to work the way that suits you. We define sprint targets every two weeks and no one will micromanage you how to achieve these.

- Competitive minimum wage & additional incentive schemes
- Flexible working hours and possibilities to work from home
- Central office location in the lifestyle capital Innsbruck
- A badass team that just waits for you to join
